36-month fixed rate			<b>5,70%</b>	6,10%
60-month fixed rate			<b>5,90%</b>	6,20%

Special indexation is paid upon the disbursement of a loan, with special indexation calculated using the method that if the period from lending to the first due date for payment is not in whole months, 1/30 of changes to indexation MoM for each additional day is added to or subtracted from the loan amount paid out. Special indexation is paid upon the instalment or prepayment of a loan, with special indexation calculated using the method that if the period from the last due date for payment to the date of payment is not in whole months, 1/30 of changes to indexation MoM for each additional day is added to or subtracted from the instalment or prepayment. If an additional instalment or prepayment is made on a due date for payment, no special indexation is calculated.

The prime interest rate on SpKef loans is Landsbankinn prime interest with a 1,15% premium on non-indexed loans and a 1,60% premium on indexed loans.
